

SULLIVAN HUMANE SOCIETY ANNUAL CAT KENNEL PARTNERSHIP PROGRAM

Cat Kennel Partnership: \$150

Your name will be displayed on your sponsored kennel for 6 months. You will then be given the opportunity to renew your partnership!

We are looking for 40 Kennel Partners to join us annually in our fight to improve the quality of life for all Sullivan County animals. If you choose to be one of our lucky 40 cat partners, you are not only giving back to your community, but your donation is also going to work for you! Your partnership is completely tax deductible!

Partnership information will be shared on our main wall in the lobby. We will also share partner information on our social media page including Facebook post of animals house within your sponsored kennel. Your partnership will allow us to keep our food and litter supplies stocked and the cats and kittens of Sullivan Humane happy!

*Yes, you can sponsor more than one kennel!
